MEMORANDUM FOR: Special Assistant to the Deputy Director
(Administration)

SUBJECT : Form No. 51-133, "Request for Training at Non-
CIA Facility"

1. With reference to your memorandum of 30 October 1954, subject as above, the attached copies of training requests are intended to constitute notification of action taken by the Office of Training. Since the form includes multiple copies, the signature occasionally does not show up on the last copy. However, we attempt to see that all copies are clearly signed and I have had [] initial these two.

2. There is no other copy of this form sent to the sponsoring office or the applicant. Normally, the copy received by the Training Liaison Officer is forwarded through channels to the individual. Also, the External and Language Training Division notifies the TLO by telephone when the application has been approved in order that he can advise the applicant to initiate action on any security problems and request an advance of funds.

3. Our records have been changed to show you as the TLO for the DD/A's Office.
